## AfterBite® The Itch Eraser®

**AfterBite®** is specially formulated to provide instant itch relief from insect bites and stings. For mosquitoes, black flies, ticks and more, there's nothing like it in your medicine cabinet. Be *doubly* prepared for bug season with the AfterBite® OUTDOOR COMBO Pack. Keep **AfterBite®** at home, in your car, in your tackle box and camper. Don't let insect bites ruin your family fun!

**AfterBite® OUTDOOR** is a powerful itch treatment that provides immediate relief! Extra strength gel contains baking soda and tea tree oil to soothe the skin and stop the itch and pain.

**AfterBite KIDS®** is a gentle non-stinging cream containing baking soda, aloe vera and tea tree oil. Now Mom can treat even the most over-scratched bug bites without fear of stinging and whining.

### Drug Facts

| Active Ingredients                  | Purpose              |
|-------------------------------------|----------------------|
| AfterBite® OUTDOOR: Ammonia         | Counterirritant 3.5% |
| AfterBite KIDS®: Sodium Bicarbonate | Skin Protectant 5.0% |

**Uses** Temporarily protects and helps relieve minor skin irritation and itching due to insect bites, poison ivy, oak or sumac.

### Warnings

 For external use only.

**When using this product:** ■ Do not get in eyes.

■ If in eyes, flush with water for 15 minutes and call a doctor.

**Stop use and ask a doctor:**

■ If condition persists or worsens; ■ If symptoms last more than 7 days;

■ If symptoms clear up and occur again within a few days.

**Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away.

**Directions** ■ Dab directly on bite or sting and rub gently.

■ If itching persists re-apply again as necessary. ■ For a bee sting, remove stinger before treatment. ■ **Adults and children 2 years and older**, apply to affected area. ■ **Children under 2 years** consult a doctor.
