After Bite[®]

The Itch Eraser[®]

Pharmacist preferred remedy

Easy-to-use pen-like applicator — and convenient to carry. Pack After Bite[®] in your handbag, first aid kit, glove compartment, golf bag or the family camping gear. Get fast, complete relief from the pain and itching associated with insect bites and stings and other minor skin irritations with After Bite[®] The Itch Eraser[®]. For a soothing gel formula, try After Bite XTRA[®]. For your child, try After Bite KIDS[®], a special cream formula.

Drug Facts

Active Ingredient	Purpose
Ammonia 3.5%	Counterirritant

Uses For the temporary relief of pain and itching associated with
• insect bites & stings • minor skin irritations & rashes

Warnings

For external use only

When using this product • do not get in eyes • do not bandage or cover tightly until dry

Stop use and ask a doctor if rash, redness, swelling occurs or pain increases

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away

If in eyes flush with water for 15 minutes and call a doctor

Directions

- dab directly on bite or sting and rub gently
- if itching persists re-apply as necessary
- for a bee sting, remove stinger before treatment

Adults and children 2 years and older . . . apply to affected area
Children under 2 years consult a doctor
