

Distinctive water-based DEET insect repellent formula that contains no alcohol. Provides protection for the entire family. DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label.

Shake well. Remove protective cap and spray on all exposed skin areas, keeping nozzle pointed away from face. Do not inhale. Do not apply over cuts, wounds or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Use just enough repellent to cover exposed skin. Do not use under clothing. Avoid over-application of this product. Wash hands after applying. After returning indoors, wash treated skin with soap and water. Wash treated clothes before wearing again. Do not spray in enclosed areas. For ticks and chiggers, apply to shoe tops, socks and around openings in clothing. Repeat as needed.

Storage and disposal

Storage: Store in a cool dry (preferably locked) storage area inaccessible to children and pets and away from heat or open flame. **Disposal:** If empty, Do not reuse this container. Place in trash or, if available offer for recycling. If partly filled, Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS; Hazards to Humans and Domestic Animals

WARNING: Causes substantial but temporary eye injury. Do not get in eyes. Harmful if swallowed. Use of this product may cause skin reaction in rare cases. If you suspect a reaction to this product, discontinue use, wash skin and call your local poison control center. If you go to the doctor, take this repellent with you.

First Aid

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center for treatment advice. **If swallowed:** Immediately call a poison control center or doctor for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a poison control center, or doctor, or going for treatment. Keep off synthetics, plastics, furniture and painted surfaces. May damage leather.
